

## GENERAL LAWS OF MASSACHUSETTS

### CHAPTER 176G. HEALTH MAINTENANCE ORGANIZATIONS.

#### **Chapter 176G: Section 4D. Nonprescription enteral formulas for home use; modified low protein food products.**

Section 4D. A group health maintenance contract shall provide coverage for nonprescription enteral formulas for home use for which a physician has issued a written order and which are medically necessary for the treatment of malabsorption caused by Crohn's disease, ulcerative colitis, gastroesophageal reflux, gastrointestinal motility, chronic intestinal pseudo-obstruction, and inherited diseases of amino acids and organic acids. Coverage for inherited diseases of amino acids and organic acids shall include food products modified to be low protein in an amount not to exceed two thousand five hundred dollars annually for any insured individual.

### CHAPTER 176A. NON-PROFIT HOSPITAL SERVICE CORPORATIONS.

#### **Chapter 176A: Section 8L. Nonprescription enteral formulas for home use; modified low protein food products.**

Section 8L. Any contract between a subscriber and the corporation under an individual or group hospital service plan that shall be delivered, issued or renewed in the commonwealth shall provide, as benefits to all individual subscribers and members with the commonwealth, coverage for nonprescription enteral formulas for home use for which a physician has issued a written order and which are medically necessary for the treatment of malabsorption caused by Crohn's disease, ulcerative colitis, gastroesophageal reflux, gastrointestinal motility, chronic intestinal pseudo-obstruction, and inherited diseases of amino acids and organic acids. Coverage for inherited diseases of amino acids and organic acids shall include food products modified to be low protein in an amount not to exceed two thousand five hundred dollars annually for any insured individual.

### CHAPTER 175. INSURANCE.

#### **Chapter 175: Section 471. Nonprescription enteral formulas for home use; modified low protein food products.**

**Section 471.** Any individual policy of accident and sickness insurance issued pursuant to section one hundred and eight, and any group blanket policy of accident and sickness insurance issued pursuant to section one hundred and ten, shall provide coverage for nonprescription enteral formulas for home use for which a physician has issued a written order and which are medically necessary for the treatment of malabsorption caused by Crohn's disease, ulcerative colitis, gastroesophageal reflux, gastrointestinal motility, chronic intestinal pseudo-obstruction, and inherited diseases of amino acids and organic acids. Coverage for inherited diseases of amino acids and organic acids shall include food products modified to be low protein in an amount not to exceed two thousand five hundred dollars annually for any insured individual.
